

SURPRICE: Sustainable mobility through Road User Charging

This template must be used for all proposals for the trans-national call "SURPRICE"

APPLICATION INFO

1a Application title (max 150 characters)

1b Project Acronym (max 50 characters)

1c The thematic focus (The thematic focus(es) listed in the call text covered in the proposal (if applicable))

- Acceptance of Road User Charging systems
- Interoperability of road user systems
- Legal framework conditions for systems
- Impact analysis and methodology for the political decision

1d Submitted by Name and organisation

Submission data (Format: YYYY-MM-DD)

APPLICANT INFORMATION

Project leader

2a Last name First name
Gender Male Female Nationality
Institution Name
Type of institution (E.g. University, research institution, private company)
Telephone (work) Mobile E-mail address

Project partners (for each partner)

2b 1. Institution (Name)

Type of institution (E.g. University, research institution, private company) Name of lead person
Department
Institution address 1
Postal code City Country

2c 2. Institution (Name)

Type of institution (E.g. University, research institution, private company) Name of lead person
Department
Institution address 1
Postal code City Country

2d 3. Institution (Name)

Type of institution (E.g. University, research institution, private company) Name of lead person

Department

Institution address 1

Postal code City Country

2e 4. Institution (Name)

Type of institution (E.g. University, research institution, private company) Name of lead person

Department

Institution address 1

Postal code City Country

GENERAL PROJECT INFO**Time span****3a Start date** (Format: YYYY-MM-DD)**End date** (Format: YYYY-MM-DD)**Total budget****3b Financial summary (In Euro)**

	Partner 1	Partner 2	Partner 3	Partner 4	Partner 5

Requested from SURPRICE					
Own contribution					
Total pr. partner					

DETAILED PROJECT INFO**Focus of research****4a Objectives to be achieved** (Up to 10 keywords)

4b Project summary (*max 1 page*)

4c Justification for research topic(s)

The problem of common European significance the research address (max ½ page)

4d State-of-the-art

Research results relevant for the proposal (max 1 page)

4e Scientific significance and originality

*The expected scientific significance and originality of the research cooperation in an international perspective
(max ½ page)*

4f The research plan

Outline of the research plan: timing, milestones, deliverables (max 1 page)

4g Dissemination

Means of dissemination: Through-out and after project (max ½ page)

4h Level of true cooperation

The proposal should demonstrate that it builds on European strongholds and through the cooperation develop synergies across borders to develops European capabilities in the research field (max 1 page)

-
- 4i Level of interdisciplinary interaction between different fields of research or industry (if applicable)**
Level of involvement of industry/end users and demonstration of the appropriateness of the proposed model of cooperation (max ½ page)

Outcome and impact

5a Outcome and expected impact

How the project add to European knowledge and know-how of RUC (max ½ page)

5b Strategic relevance of the project in relation to the (national) political decision-making process
(max ½ page)

Organisation and management

6a Organisation and management

Outline of the organisation and management (scientific and administrative) of the project (max 1 page)

6b Contribution to the project as a whole

The contribution of the individual research partners to the project as a whole (max 1 page)

6c The means of communication between the partners

*The means and method of interaction and cooperation between the partners during the research process
(max ½ page)*

Competence of the project team

7a Project leader's CV (*max 1 page*)

7b Project leader's list of publications (*max 1 page*)

7c Project leaders qualification to lead and organise the consortium
Experience in other similar project cooperation (max ½ page)

7d Main competences in the project - for each key participating researcher
(max 10 lines pr participating researcher)

1. researcher

2. researcher

3. researcher

4. researcher

5. researcher

6. researcher

7. researcher

8. researcher

9. researcher

10. researcher

7e If researcher/organisations outside the funding countries:

Significance of including researchers/organisations outside the funding countries (if applicable)

Main contribution to the over all project (max ½ page)

Project manager

8a Institution (name)

Type of Institution (*E.g. University, research institution, private company*)

Department

Institution address 1

Postal code

City

Country

Administrative manager

8b Last name

First name

Position

E-mail address
